Mr. Cox,

Had a lot of fun  
in homeroom!

Roz Corieri

Mr. Cox

To a real cool,  
groovy, guy  
who is really  
a great home-  
room teacher  
and I know  
a great Math  
teacher. Jane  
Weber

Mr. Cox,  
You're a great  
homeroom teacher!  
I'm glad I had  
you in math, that  
is for math. I know a great home-  
I'm not very bright, room teacher  
but I have a few  
good points. I don't  
know what but...  
I'll find them some  
day.

Cindy L.

Mr Cox,  
Remember me to  
the rest of the  
room & 6th  
math! You helped  
us make a great  
homeroom!  
Patty D.

It has been fun in  
Math. and Homeroom

Mr. Cox,

Your class has a  
teacher to have me in your  
H.R. class because not every  
teacher has a Martha Healer  
in their class.

Central Junior High School  
Ames, Iowa

## CENTRAL CREED

I, as a student of Central Junior High, strive to make better the high standards set by this school. I will cooperate cheerfully with all students and teachers always with an effort to be a dependable, respectful, and loyal student. I will show good sportsmanship in both school work and in athletic activities regardless of whether I am a

winner or loser. I will keep myself physically fit and mentally alert at all times for the good of myself and the school.

McCox  
you are the  
greatest homeroom  
teacher. Wish I could  
have you next year  
but you no how it  
goes  
Julius  
Johnson

## *Principal*

LLOYD EILTS

We, Mr. Elts and Mr. Rockwell, serve as your principals attempting the guidance of all guys and gals.

Sometimes we're irritable, yet often most gay and a smile, we'd certainly prefer sending your way.

But quite often the problems just won't let such be which is all in the effort of discipline, you see.

The trials of maturing are difficult to bear -- and the results, thereof, often seem unfair.

We'll be seeing you around in the buzz and ado -- amid all the activities involving each of you.

## *Assistant Principal*
